Subject: Introduction to Leslie Jacobson.

To whom it may concern,

This letter serves to introduce you to Leslie Jacobson. Leslie came to work with Community Radio KVMR in the Spring of 2000, as the producer of our on-air Travel Auction. Leslie became fast friends with our office staff and possessed the essential mix of a casual sense of humor and serious commitment to professionalism. She did a tremendous job managing the details of her project and brought it to completion on time and without a hitch. She procured over 400 donations and the auction netted over \$17,000.

Since completing the auction in April 2000, Leslie has continued to volunteer with KVMR as a Stage Manager for our live concerts. Here, she continues to exhibit great "people skills" and an ability to run a tight ship.

We have found Leslie to be a fast learner, a straight-forward communicator, a team player and a lot of fun to have around. I feel confident in recommending her for any endeavor she finds interesting. I would certainly hire her again.

Should you have any questions or need additional information, feel free to reach me at 530.265.9073 (ext. 210).

Sincerely,

A handwritten signature in cursive script that reads 'Brian Sweeney Terhorst'.
