EXTRAORDINARY LIVING

October 21, 2008

To whom it may concern:

Reference: Leslie Jacobson

Leslie just completed working with Marin Magazine on our first (perhaps annual) Boutique Bliss 2008 shopping event and did an amazing job producing an incredibly complex event. We had over 6 vendors to create the event space and over 20 Boutique's exhibitors to coordinate with. In addition to working with vendors and store owners, Leslie also collaborated with Marin Abused Women's Services to provide and schedule over 50 volunteers.

Leslie has received rave reviews from the Boutique owners, and attendees. She has my highest recommendation. Clearly stated, she knows what she is doing and has my highest recommendation

Sincerely,
