RE: Recommendation for Employment

To Whom It May Concern:

As Festival Manager it has been my pleasure to have Leslie Jacobson be a part of the California WorldFest, an annual four-day summer music festival that takes place in Grass Valley, California. First as a volunteer and more recently as a member of the paid staff, Leslie has demonstrated an astute knowledge of event production in the roles she has assumed for us. Leslie has helped recruit and schedule volunteer staff and has been extremely valuable troubleshooting during the actual event. Her clear thinking, communication skills, and willingness to take on whatever needs to be done have made her an ideal member of our staff.

Though Leslie has had a limited role in our event I would welcome a greater involvement as our needs grow. I have complete confidence in Leslie and I do not hesitate to give her a strong recommendation for employment in the field of Event Production.

Should you have any questions regarding my recommendation please give me a call.

Cordially,
